**30** A strong culture of food-ordering in the Gulf countries is the perfect foundation for the new players and platforms in the delivery business. We discuss the pros and cons for restaurant operators and unveil the opportunities and challenges for both, restaurants and delivery services.

UberEATS

**75** In our interview, Vice President & CEO of Burger King & Quick France, Jérôme Tafani, talks about BK's ambitious plan to have 600 restaurants and a €2 bn turnover in 2020 by converting 400 quick locations and opening 30-40 new restaurants per year.

**35** For the next edition of the Anuga trade show in Cologne this October, featuring Anuga Culinary Concepts dedicated to the foodservice audience, we once again present a comprehensive supplement covering 40 pages, devoted to underline the increasing importance of the away-from-home market throughout Europe and the world.
